More about the Multi-Year Appeal

To rise to the challenge of delivering comprehensive, multi-faceted responses, 12 entities from across the UN system have come together to devise a new generation of multi-partner projects and programmes that transcend borders, actors and thematic silos with emphasis on human rights, gender equality and the empowerment of women.

The 2021-2022 Multi-Year Appeal consolidates initiatives from CTED, IMO, INTERPOL, IOM, OHCHR, UNDP, UNICEF, UNICRI, UNOCT, UNODC, UNRCCA and UN Women across all four Pillars of the United Nations Global Counter-Terrorism Strategy. It comprises 52 global thematic programmes, regional and country-specific projects to support Member States' counter-terrorism priorities
