MESSAGE

On the International Day of Solidarity with the Palestinian people, I reiterate India's unwavering support to the Palestinian cause.

India's ties with the friendly people of Palestine are rooted in our common history. We have always supported the Palestinian people in their pursuit of economic and social development with dignity and self-reliance. We are hopeful that direct talks between the Palestinian and Israeli sides will resume to find a comprehensive and negotiated solution.

India has also been at the forefront of extending developmental assistance to Palestine over the years. Our flagship projects such as India-Palestine Techno Park, Palestine National Printing Press and four Schools are already functional while other projects, including the Palestine Diplomatic Academy, Women Empowerment Centre (Turathi) and a Super Speciality Hospital are under implementation. We have substantially enhanced our contribution to the United Nations Relief and Works Agency for Palestine Refugees (UNRWA) in recent years to strengthen its hands for humanitarian activities.

On behalf of the Government and the people of India, I extend my best wishes to the people of the State of Palestine in their journey to achieve statehood, peace and prosperity.

(Narendra Modi)
