Message

On the solemn occasion of the International Day of Solidarity with the Palestinian People, Bangladesh joins the international community in reaffirming its unwavering support towards the inalienable rights of the Palestinian people of self-determination and establishment of the State of Palestine based on a two-state solution with pre-1967 borders and East Jerusalem as its Capital.

Bangladesh has always supported the just struggle of the oppressed people against imperialism, colonialism, or racialism all over the world. Our firm commitment is guided by our Father of the Nation, Bangabandhu Sheikh Mujibur Rahman, and the principles enshrined in our national constitution. The people of Bangladesh would remain steadfast in expressing their solidarity with their Palestinian brothers and sisters, who have been deprived of their legitimate rights of self-determination for more than fifty-five years.

Bangladesh reiterates its condemnation of the continued atrocities causing death and injury to numerous Palestinian civilians, including women, children, and elderly persons, and the systematic gross violations of human rights against the Palestinian people. Bangladesh denounces the illegal settlements, including the expansion plans and any other action by the occupying force violating international humanitarian law.

We believe that the implementation of the relevant numerous UN resolutions, the Quartet Road Map, the terms of reference of the Madrid Peace Conference, the Arab Peace Initiative, and the efforts made by a number of UN Member States are critical to reviving the Middle East Peace Process and achieving a permanent, peaceful and just solution to the issue of Palestine.

I urge the international community to work together for effective and decisive actions and step up the efforts to restore the legitimate rights and aspirations of the Palestinian people to live in safety, stability, and dignity in a sovereign homeland.

Joi Bangla, Joi Bangabandhu
May Bangladesh Live Forever
