4. Consideration of reports submitted by States parties under article 18 of the Convention on the Elimination of All Forms of Discrimination against Women

Article 18 of the Convention provides that States parties to the Convention shall submit to the Secretary-General, for consideration by the Committee, a report on the legislative, judicial, administrative or other measures that they have adopted to give effect to the provisions of the Convention and on the progress made in that respect. Reports are to be submitted within one year after the entry into force of the Convention for the State concerned and thereafter at least every four years and, further, whenever the Committee so requests.

The reports of the following States parties are scheduled to be considered at the eighty-sixth session of the Committee: Albania; Bhutan; France; Guatemala; Jamaica; Malawi; Nicaragua; Philippines; and Uruguay.

Rule 51 of the rules of procedure provides that representatives of a State party shall be present at meetings of the Committee when the report of that State party is being examined and shall participate in discussions and answer questions concerning the report. Paragraph 5 of rule 51 provides that if a State party fails to respond to an invitation to have a representative attend the meeting of the Committee at which its report is being examined, consideration of the report shall be rescheduled for another session. If, at such a subsequent session, the State party, after due notification, fails to have a representative present, the Committee may proceed with the examination of the report in the absence of the representative of the State party.

Rule 49 of the rules of procedure provides that, at each session, the Secretary-General shall notify the Committee of the non-receipt of any report required from a State party under article 18 of the Convention. The Secretary-General also regularly provides the Committee with a list of reports submitted by States parties to the Convention, as well as a list of reports submitted by States parties to the Convention that have not yet been considered by the Committee.

A pre-sessional working group of the Committee is convened before each session to prepare lists of issues and questions relating to reports for transmission to States parties before the meetings at which their reports are to be considered. The pre-sessional working group for the eighty-sixth session met from 27 February to 3 March 2023. The report of the pre-sessional working group ([CEDAW/C/PSWG/86/1](#)) will be before the Committee.
