\* IDPs are issued in Hong Kong

\*\* holders of local driving licenses only

\*\*\* issued to non-residents only if country of origin is not party to 1968 Convention

\*\*\*\* Vietnam is a contracting party to the 1949 Convention on Road Traffic, but the local traffic law states that only the 1968 IDP is accepted. Club members and visitors have reported that the 1949 is accepted in practice. It has also been reported that the Vietnamese authorities require the list of contracting parties to be printed on the IDP and to include Vietnam.

- § and other permits on a reciprocal basis
  - !! Please note that validity restrictions apply to IDPs in these countries - they are accepted for a limited period of time only (30 days, 90 days, 180 days, etc.), even if the IDP is valid for longer.
-
