In order to facilitate the registration process participants are **REQUIRED** to register online to facilitate smooth coordination of the issuance of photo badges as well as the compilation of the list of participants.

Please note that prior online registration is mandatory in line with standard security procedures to facilitate security clearance and entrance to the premises. A document containing tips on completing the online registration on behalf of another participant can be accessed on the registration portal, noted above.

Participants who have registered online can obtain photo badges at the registration counter, located on the Ground Level, UNCC, from 08:00 to 10:00 hours on the opening day of the event.

For identification and security reasons, all participants are **REQUIRED** to wear their meeting badges at all times while they are in the UN complex, which include meetings and social functions. The loss of a meeting badge should be immediately communicated to the registration counter or the UN security, so that the incident could be recorded, and a new badge can be issued.

## PART II: Visa, health, and travel

### • Visa Requirements

Participants are **REQUIRED** to obtain an appropriate entry visa from the Royal Thai Embassy or the Royal Thai Consulate-General before entering Thailand, EXCEPT for those nationals listed at [List of Countries entitled for Visa Exemption and Visa on Arrival](#).

Participants who wish to apply for a visa outside their country of residence or reside in a country where there is no Royal Thai Embassy or Consulate, should check with the meeting organizer for the location where it is possible for them to apply for a Thai visa. Please note that certain nationalities, for security reasons, are not allowed to apply for a visa except at the Royal Thai Embassy or Consulate-General which has jurisdiction over the concerned territory.

Participants who may need further assistance from ESCAP on their visa application should contact the meeting organizer, well in advance, for necessary action.

Participants who wish to apply for a visa on arrival at Suvarnabhumi International Airport or Don Muang International Airport should follow the below requirements:

### ***Zika virus***

Zika is endemic in Thailand and cases have been reported amongst tourists. All travelers are advised to protect themselves from mosquito bites while in Thailand. Given possible transmission of the disease to unborn babies, pregnant women should consider postponing travel to Thailand or talk to their doctor about the implications of traveling to Thailand during this time.

In addition to the above, Medical Services Division at UNHQs advises that pregnant UN personnel should not undertake duty travel or be relocated to countries/areas where local transmission of Zika virus is known to occur. Women who are seeking pregnancy should obtain individual advice from their medical practitioner on risk management regarding their plans to travel into a Zika-affected area. For further information, please refer to the [Zika virus FAQ](#).

Information on other non-vaccine preventable diseases to watch out for while in Thailand can be found here: [Thailand - Traveler view | Travelers' Health | CDC](#).

### ***Air pollution and Health***

Bangkok, like many metropolitan Asian cities in the world, is periodically affected by high levels of air pollution, with haze and high concentrations of PM2.5 particularly of concern for sensitive groups.

The Tourism Authority of Thailand advises tourists to monitor Bangkok's air pollution and take precautions when necessary. People who have existing asthma or are particularly vulnerable to the effects of air pollution should consult their treating physician as to whether a trip to Bangkok is advisable at this time. Information on the Air pollution can be found [Air4Thai website](#), maintained by the government of Thailand with daily information on air pollution.
