

The Indico.UN Summer Camp 2023

21st to 25th August, Second edition

The Indico.UN team is planning its second edition of the Indico.UN Summer Camp from the **21st to the 25th of August 2023**, at the Palais des Nations in Geneva.

<https://indico.un.org/e/summercamp2023>

Objectives

This workshop will provide an opportunity for the Indico.UN team and community from various duty stations and UN family organizations to meet, get to know one another, ask questions, and share feedback to deepen our knowledge of Indico.UN, as well as exchange experiences and learn from one another.

In this immersive experience, we hope you will gain a deeper understanding of Indico.UN's latest innovations and features and feel confident about implementing what you have already learned when deploying Indico.UN in your respective organizations.

Theme

The theme of this edition of the Indico.UN Summer Camp will be ["Innovation for efficiency"]

As part of this year's theme, we'll discuss how to improve our work and workflow efficiency by utilizing Indico.UN's latest features and innovations.

Format and context of the Summer Camp activities

This event will be in-person.

The Indico.UN Summer Camp is a mix of activities that include exchanges, hands-on sessions, training, presentations and information sessions with different speakers and contributors.

Intended audience

The Indico.UN Summer Camp programme is aimed at participants who use or intend to use Indico.UN regularly in their work either as conference organizers, security officers or related functions.

Programme overview

The following are the program's main topics:

- Indico.UN Overview (refresher)
- New features in Indico.UN version 3
- Making use of less commonly used modules or features
- Digital badge
- Documents and Services (DaS)
- Abstract, contribution and paper review modules
- Data privacy and retention
- Category moderator role; unlisted events;
- Accompanying persons
- Account decommission and other best practices and policies
- Exchange of experiences
- New features and future development updates and tutorials
- Meet, learn, and connect with other members of the community in person
- Get to know the Indico.UN team in person.

Venue and practicalities

Venue: The Palais des Nations in Geneva, Switzerland.

All participants are encouraged to bring their own laptops. In case a participant does not have any, kindly let the Indico.UN team know in advance so that we can prepare one for you to use for the duration of the Indico.UN Summer Camp.

Other important information

The participating organization should cover its participants' travel, DSA, and any other related costs.
