

Event in tribute to Professor Yves Coppens

World-renowned paleontologist and paleoanthropologist, who had co-discovered the Australopithecus Lucy and was also the President of the International Scientific Committee of the Museum of Prehistoric Anthropology of Monaco, and member of the Institute of Human Paleontology founded by Prince Albert Ist.

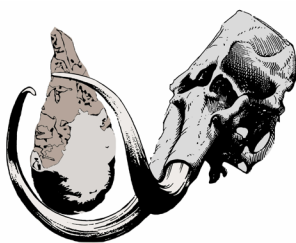

After the official opening, two roundtables will take place, on the themes of:

«Heritage and Climate Change»

and

«Science and Innovation».

Simultaneous interpretation in French and English will be provided

This invitation for one person will be requested at the entrance with a valid photo ID.
