**4. Consideration of reports submitted by States Parties under article 18 of the Convention on the Elimination of All Forms of Discrimination against Women**

Article 18 of the Convention provides that States Parties to the Convention shall submit to the Secretary-General, for consideration by the Committee, a report on the legislative, judicial, administrative or other measures that they have adopted to give effect to the provisions of the Convention and on the progress made in that respect. Reports are to be submitted within one year after the entry into force of the Convention for the State concerned and thereafter at least every four years and, further, whenever the Committee so requests.

The reports of the following States Parties are scheduled to be considered at the ninety-first session: Afghanistan, Botswana, Chad, Ireland, Mexico, San Marino and Thailand. In addition, the Committee will adopt concluding observations on the reports of Fiji, Solomon Islands and Tuvalu following country exchanges with those States Parties at its Pacific technical cooperation session, held in Suva from 7 to 11 April 2025.

Rule 51 of the rules of procedure provides that representatives of a State Party shall be present at meetings of the Committee when the report of that State Party is being examined and shall participate in discussions and answer questions concerning the report.

Rule 49 of the rules of procedure provides that, at each session, the Secretary-General shall notify the Committee of the non-receipt of any report required from a State Party under article 18 of the Convention. The Secretary-General also regularly provides the Committee with a list of reports submitted by States Parties, as well as a list of reports submitted by States Parties that have not yet been considered by the Committee.

A pre-sessional working group of the Committee is convened before each session to prepare lists of issues and questions relating to reports for transmission to States Parties before the meetings at which their reports are to be considered. The pre-sessional working group for the ninety-first session met from 28 October to 1 November 2024. Its report ([CEDAW/C/PSWG/91/1](#)) will be before the Committee.
