### Inland Transport Committee

#### Working Party on the Transport of Perishable Foodstuffs

##### Eighty-second session

Geneva, 28 – 31 October 2025

Item 1 of the provisional agenda

##### Adoption of the agenda

### Provisional agenda for the eighty-second session

#### Addendum

### Annotations

#### 1. Adoption of the agenda

In accordance with WP.11's rules of procedure, the first item on the provisional agenda is the adoption of the agenda.

#### 2. Activities of ECE bodies of interest to the Working Party

##### (a) Inland Transport Committee

The secretariat will inform the Working Party of the key outcomes from the latest session of the Inland Transport Committee (ITC), which took place from 11 to 14 February 2025. The Working Party is invited to note that the ITC approved the results of its 2024 work and adopted its 2025 programme of work and programme of meetings.

**(b) Working Party on Agricultural Quality Standards (WP.7)**

The activities of the Working Party on Agricultural Quality Standards (WP.7) of interest to WP.11 are:

- Thirty-third session of the Specialized Section on Standardization of Meat (GE.11) 26 - 28 August 2025, Geneva, Switzerland;
- Eightieth session of the Working Party on Agricultural Quality Standards (WP.7) 17 - 19 November 2025, Geneva, Switzerland.

The latest UNECE tool to combat food loss and waste can be found at <https://unece.org/trade/wp7/food-loss-and-waste>

For more information on these and other activities, please visit WP.7 website at <https://unece.org/trade/working-party-agricultural-quality-standards-wp7>.

**3. Activities of other international organizations dealing with issues of interest to the Working Party**

**(a) International Institute of Refrigeration (IIR)**

The Working Party will be informed about the results of the meeting of the IIR sub-commission on refrigerated transport held in Padova, Italy on 9-10 April 2025 (informal document INF.2).

**(b) Transfrigoroute International**

The representative of Transfrigoroute International is invited to present the recent activities of his organization.

**(c) Standardization organizations**

Delegations participating in the work of standardization organizations are invited to inform the Working Party about progress on the development of standards dealing with transport under controlled temperatures and what impact these standards are expected to have on the ATP.

**4. Status and implementation of the Agreement on the International Carriage of Perishable Foodstuffs and on the Special Equipment to be Used for such Carriage (ATP)**

**(a) Status of application of the Agreement**

There have been no new accessions to ATP since the last session and the number of Contracting Parties remains at 52.

**(b) Status of amendments**

Proposed amendments to the ATP adopted by WP.11 adopted at its eightieth and eighty-first sessions held in Geneva on 24-27 October 2023 and 29 October – 1 November 2024 respectively, and contained in Annex II to the report ECE/TRANS/WP.11/251 and Annex II to the report ECE/TRANS/WP.11/253, (depositary notification C.N.80.2025.TREATIES-XI.B.22), were notified to ATP Contracting Parties by the United Nations Treaty Section on 6 February 2025.

On 12 March 2025, the Government of Germany, in accordance with Article 18 (2) (b) of the ATP, informed the Secretary-General that although it intended to accept the proposals, the conditions for such acceptance were not yet fulfilled (C.N.130.2025.TREATIES-XI.B.22). Therefore, proposals of amendments adopted at the 2023 and 2024 sessions of WP.11 will be deemed accepted only if, before the expiry of a period of nine months following the initial notification period of six months, the Government of Germany does not notify an objection to the proposed amendments.

(c) **Test stations officially designated by the competent authorities of countries Parties to ATP**

The current list of officially designated test stations appears at the following link: <https://unece.org/atp-competent-authorities-and-testing-stations>.

(d) **Exchange of information among Parties under Article 6 of ATP**

At its eighty-first session, WP.11 thanked the 23 countries that had provided data in response to the questionnaire on the implementation of ATP in 2023 and stressed that it was mandatory to have information from all ATP contracting parties and that it was a means of harmonizing implementation of the agreement.

The information received for the year 2024 is presented in ECE/TRANS/WP.11/2025/1.

At the request of the Working Party at its seventy-third session, the secretariat sent a letter to all contracting parties requesting them to fulfil their obligation under article 6 of ATP of replying to the annual questionnaire and to update the contact information for competent authorities and test stations. All the information received by the secretariat is included in the list of competent authorities and officially designated test stations at <https://unece.org/atp-competent-authorities-and-testing-stations>.

(e) **Exchange of good practices for better implementation of ATP**

The Working Party may wish to consider any proposals for better implementation of ATP.

(f) **Interpretation of ATP**

**Inconsistent practices concerning cooling capacities presented in MTMC ATP certificates**

The Working Party may wish to discuss the questions submitted by Finland (ECE/TRANS/WP.11/2025/12).
