

COVID-19 INFORMATION FOR PARTICIPANTS TRAVELLING TO ITALY AND VISITING OR ATTENDING AN EVENT/ TRAINING IN UNGSC

Dear visitor,

The state of emergency in relation to the COVID-19 pandemic has come to an end in Italy on 31 March 2022.

This document aims to provide you with the key information during your stay in Italy and at UNGSC. You are therefore kindly requested to read the following information carefully:

TRAVEL ADVISORY

ENTRY PROCEDURES

As of June 1, 2022, a Green Pass or equivalent certificate of COVID-19 vaccination is no longer needed to enter Italy. All Covid-19 related entry restrictions have been lifted.

In addition, it is no longer mandatory to show a Green Pass or equivalent certificate of COVID-19 vaccination, to access businesses and services in Italy. Therefore, free access to local and national public transportation, bars and restaurants, shops, museums, theaters, cinemas, stadiums, gyms, spas, etc.

Facemasks:

The use of FFP2 masks remains mandatory in health care settings and masks are no longer mandatory on airplanes, trains and buses.

However please note that the use of the mask in all indoor environments and in all cases of crowded outdoor events is highly recommended.

The following people are excluded from the requirement to wear masks:

- **children under the age of six**
- **persons with a medical condition or disability that is incompatible with the use of a mask, and persons who must communicate with a disabled person**
- **individuals who are engaging in athletic activities**

Please note that the removal of travel restrictions to / from Italy does not exclude that some countries may still place limits on the entry of travelers from abroad.

It is recommended to always consult the data sheet of the country of interest on [Viaggiare Sicuri](https://www.viaggiare Sicuri.it) (see link below) to check for any restrictions on entry by the local authorities.
