Crisis In Eastern Congo

Recommendations for the Universal Periodic Review and the Human Rights Council

26 August @ 15:30 – 17:00 CEST
Palais des Nations Room XXIV
[RSVP Here](#)

Join Physicians for Human Rights (PHR) and civil society organizations for a discussion of barriers to accessing medical care, justice, and reparations for victims of sexual and gender-based violence in the Democratic Republic of the Congo, and what support is needed from the government and international community to ensure accountability.
