- Hotels in Geneva are highly occupied during annual events such as trade fairs and conferences listed above. For details on the exact dates, please contact the hotels directly.
- The rates are strictly preferential and they are not available to the public, therefore use of this benefit is limited to the UN System Organizations and UN Permanent Missions based in Geneva.
- Travellers are expected to make their own arrangements directly with the hotels.
- City/tourist tax is added by most hotels on top of the room price and it varies depending on the hotel class (per night per person: CHF 1.65-4.75 in Geneva, CHF 2.60-4.20 in Lausanne, EUR 0.20-4.00 in France). In exchange, guests may be offered a pass for public transport.

Please note that the prices in this database and other information are not subject to any binding offer between the UN and the accommodation providers. The accommodation providers reserve the right to change the rates without any prior notice.
