## **1. Introduction**

The European Commission is committed to protect your personal data and to respect your privacy. The Commission collects and further processes personal data pursuant to [Regulation \(EU\) 2018/1725](#) of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

This privacy statement explains the reason for the processing of your personal data in the context of *title*, organised by the European Commission. It explains the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor.

The information in relation to the processing of personal data linked to the specific event, organised by the services of the European Commission, is presented below.

## **2. Why and how do we process your personal data?**

Purpose of the processing operation: the European Commission collects and further processes your personal data to provide you with information about the specific meeting (before, during and after) and to process your application for participation in that meeting.

Your personal data will not be used for any automated decision-making including profiling.

Photographs of the speakers and panoramic photographs of participants and organisers will be taken and published in the context of the meeting on the European Union Chemical, Biological, Radiological and Nuclear Risk Mitigation web site, the European Commission website, the European External Action Service website, and other social media (ie. ## **3. On what legal ground(s) do we process your personal data?**

The processing operations on personal data, linked to the organisation, management, follow-up and promotion of the meeting (including photos, audio-visual recording) are necessary for the management and functioning of the Commission, as mandated by the Treaties (article 11 of the Treaty on European Union and article 15 of the Treaty on the Functioning of the European Union).

Consequently, those processing operations are lawful under Article 5(1)(a) of Regulation (EU) 2018/1725 (processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Union institution or body).

The processing operations on personal data of the speakers for the meeting with whom a contract is concluded, are carried out in line with the contractual provisions. Your consent is required for the following actions during the meeting:

- ☐ the processing of your personal data relating to your dietary requirements and/or access requirements;
