

Global Empowerment and Inclusion Summit- Individual Session Highlights- 21st May 2026

09:00 – 09:30

Session Title: Reimagining Inclusion for a Changing World

Track: Opening Plenary

Abstract:

This opening plenary sets the tone for the Global Empowerment & Inclusion Summit 2026. It explores the evolving landscape of global inclusion, equity diplomacy, and cross-sector leadership. The session includes welcome remarks, reflections on global DEI engagement, and a keynote address focused on advancing inclusive systems at international level.

09:30 – 10:45

Session Title: Health is Human: Redefining Wellness Through Equity

Track: Health, Wellbeing & Women's Empowerment

Abstract:

This session examines health and wellbeing as fundamental human rights. Speakers explore systemic barriers affecting women and marginalised communities, presenting practical frameworks for equitable healthcare access. A moderated panel discussion addresses how policy, leadership, and lived experience intersect to drive inclusive health reform.

10:45 – 11:00

Session Title: Wellness Break

Abstract:

A short intermission for reflection, networking, and reset.

11:00 – 12:45

Session Title: Building the Future We All Belong In

Track: Innovation, Technology & Intergenerational Collaboration

Abstract:

This session explores the role of innovation, technology, and entrepreneurship in shaping inclusive futures. Speakers examine digital empathy, power-sharing models,

and intergenerational collaboration as strategic tools for equitable economic and social development. Includes keynote interventions followed by moderated panel dialogue.

13:00 – 14:00

Session Title: Lunch Break

Abstract:

Informal networking and cross-sector engagement opportunity.

14:00 – 15:00

Session Title: Litigating for Equity: The Global Legal Frontier

Track: Legal Justice & Global Rights

Abstract:

Focusing on justice as a structural lever for equality, this session explores strategic litigation, legal advocacy, and rights-based approaches to systemic reform. Legal experts discuss global case studies and the evolving role of law in protecting individual and collective rights.

15:00 – 16:00

Session Title: Diplomacy in Colour: Reframing Representation in Global Governance

Track: Culture, Diplomacy & Inclusion

Abstract:

This session examines the power of narrative, culture, and creative leadership in shaping global governance. It explores how representation influences diplomacy, peacebuilding, and social cohesion, highlighting youth voices and cross-cultural collaboration.

16:00 – 17:00

Session Title: Leadership Reimagined: Equity as a Strategic Advantage

Track: The Next Chapter: Co-Creating a Fairer Future

Abstract:

This closing keynote session reframes equity as a leadership imperative rather than a compliance obligation. Speakers explore higher education reform, historical legacies, youth leadership, and strategic inclusion as drivers of sustainable institutional change.
