

Round table 6: Way forward for international partners – “2019: a year for action”

Moderator: **Dr Nancy Knight**, Division Director, Division of Global Health Protection, Centers for Disease Control and Prevention (CDC)

Thematic Questions

- Why is public-private cooperation essential for global health security?
- What are examples of best practices of engagement between:
 - Government agencies and Partners (private, nongovernmental, academia, etc.), and
 - Across national governments and/or local governments?
- What are the suggested next steps for action, and how do we ensure effectiveness of future actions?
