Member States, international and regional organizations, UN entities and civil society organizations are requested to arrange and cover the costs of travel, visa, accommodation and local transportation for their delegations.

Delegates who qualify for travel cost and DSA reimbursements, as indicated in the conference invitation letter, should register a request for support with Mr. Peter Smith (SmithP@un.org) and Ms. Samantha Savarese (SavareseS@un.org) in the United Nations Office of Counter-Terrorism by 21 June 2019. Malaria and Other Diseases

Malaria is common throughout the year in parts of Kenya. Nairobi, the capital city, is generally malaria-free but this does not exclude the need to stay safe from infection by mosquitoes. It is recommended to consult your doctor about malaria prophylaxis if travelling into Kenya and beyond Nairobi. Adequate safeguards against mosquito bites are advised (insect repellent, bed nets, clothing with long trousers and covering the arms).

Republic of Kenya

Food and waterborne diseases including diarrhoea are present. Drinking water directly from the taps is not advisable. Drink only bottled water with unbroken seals. Avoid raw foods other than peeled fruits and vegetables and wash hands frequently with soap and water

Medical costs incurred in Kenya will be directly borne by the participant. It is therefore strongly recommended that you arrange for your own travel health insurance prior to departure from your country and arrival in Kenya.

The UNON Joint Medical Service will be available in cases of emergency during the Conference. The clinic is located on ground floor behind the UN SACCO Offices.

12. Security

Access and Registration

All delegates are to use the pedestrian gate located at the Pavilion Entrance on United Nations Avenue, off Limuru Road, to access the UNON Complex. Before entering the UNON Complex to receive Conference Badges, all conference participants will be security screened.

Following screening, physically challenged persons will be ferried to the Lobby by designed vehicles provided by UNON-FMTS.

Vehicle Decals for the Conference and VIP Access

Vehicular access will be limited to vehicles with a valid United Nations decal issued by the United Nations Department of Safety and Security (DSS). Vehicle decals for the Conference will be issued to Ministers and Heads of delegations only.

Access to the UNON Complex for the period of the Conference will remain open to all official Embassy vehicles, provided they have previously been registered with the DSS and issued with UN vehicle decals, and for drivers with valid UNON issued IDs.

With respect to non-official vehicles used by heads of delegations or ministers only, details of the vehicles and driver must be sent in advance to bakhoya@un.org in order for a temporary Meeting Decal and Driver Pass to be issued. Embassies are encouraged to use official vehicles with United Nations parking decals.

Parking

Parking of vehicles is restricted to the delegates' parking area. Due to the limited parking facilities within the UNON Complex, it is preferred that Embassy vehicles without diplomatic number plates limit their business within the compound to dropping-off and collecting their passengers. Such vehicles should depart the compound immediately upon completion of such tasks.

Armed Security Personnel in the UNON Complex

In view of the fact that armed security services are already provided at the United Nations Office at Nairobi by the DSS, UNON does not authorize armed protection detail officers for visiting officials at the ministerial rank or equivalent.

Should a delegation consider that there is, in fact, a specific threat within the United Nations Office at Nairobi Complex against a principal, therefore requiring the presence of an armed security protection officer within UNON, please provide an official specific security threat assessment that details this accordingly, following which UNON DSS will consider the unique nature and specifics of this assessment.

Any request must be accompanied by relevant facts at least 48 hours in advance.

All external firearms must be reported, declared and deposited with the UN Security for safe custody during the sessions of the Conference. For further clarification, contact Inspector Andrew Bakhoya (bakhoya@un.org) at least 48 hours in advance with the following information:

General Security Tips

The United Nations Offices at Nairobi and Kenyan Authorities are working closely together to ensure that all precautionary measures are taken for conference delegates safety and security. However, delegates are personally responsible for their movements outside the United Nations Complex.

For your own safety, kindly read and follow these tips:

- Avoid crowded areas;
- When walking, keep to the main roads and avoid shortcuts through back alleys and similar routes;
- Where possible, take a taxi rather than walking (refer to section with information on recommended taxi service);
- Never walk at night in the city centre even for a short distance – always take a taxi;
- Ignore street children and people who approach you in the streets with hard-luck tales. They may be pickpockets or part of elaborate scams. The best thing to do is just to walk on and ignore them;
- Be wary of people loitering outside hotels;
- Stay informed: be aware of local news;
- Cooperate with security forces when they conduct security operations;
- Carry identification at all times;
- Tell someone where you are going and when to expect you back;
- Have emergency numbers registered on your phone;

Republic of Kenya

- Ensure your mobile phone is fully charged (especially when you leave to go to public places) and that you have sufficient credit to make calls;
- Make use of safes in hotel rooms and **DO NOT** carry large sums of money;
- Avoid carrying credit cards, wearing expensive jewellery or watches when walking on the streets;
- Do not accept food and drinks from strangers; visitors have been known to be drugged and then robbed.

13. Statements

Heads of Delegation are invited to provide remarks of a maximum duration of three minutes during of the thematic sessions of the Conference. This time limit will be strictly observed. The light on the microphone in front of each speaker will start flashing after three minutes and thirty seconds and will turn red after four minutes.

A speakers list will be maintained during the Conference. The list will operate on the principles of seniority and of ‘first come first served’ according to the following categories: 1. An opportunity to speak for a second time during the High-level Conference will be provided if all the first-time speaking requests are exhausted.
